

Maumelle Resident No Solicitation List Registration

Welcome to the City of Maumelle's "No Solicitation List" registration. The City of Maumelle receives numerous complaints about unwarranted solicitors/peddlers. In response to the citizens' complaints, the Maumelle City Council passed Ordinance No. 820, creating the *No Solicitation List*. Subsequently, solicitors/peddlers will be prohibited from approaching addresses in a residential area that have expressly requested to be listed on the City's *No Solicitation List*. The Maumelle *No Solicitation List* is updated periodically including the date of the last revision.

Information provided to solicitors/peddlers will include address and street name only. The list only applies to commercial activities and the solicitor of funds. This list does not apply to solicitors under the age of 18 unless the solicitor is acting as an agent or employee of a person or organization that would otherwise be required to obtain a permit.

Note to Solicitors: No solicitor or peddler, unless invited, shall solicit at an address appearing on the *No Solicitation List* or at any residence in the City of Maumelle upon which there is posted at the entrance a notice which reads, "No Solicitation" or similar wording. For a copy of the current *No Solicitation List*, visit the City Clerk's/Treasurer's website at www.maumelle.org/211/City-Clerk or call 501-851-2500. Violating this ordinance carries a fine up to \$100 or double such sum for each repetition of the violation (Ord. 820).

I, the undersigned, am the lawful occupant of the private property described in this No Solicitation Registration Form and I, hereby, give notice that I prohibit the practice of uninvited solicitors coming upon the property of which I am a legal occupant for the purpose of solicitation.

I consider any solicitor/peddler as defined by Maumelle City Code, entering upon the property for solicitation purposes to be a trespasser.
