### Notice:

\* This is a list of vendors who have submitted their information to AEDC. With very few exceptions, AEDC has not visited with these vendors and cannot substantiate any information about them. Please have your purchasing agents properly vet any of these vendors prior to making a purchase from any of them.

\* Neither AEDC nor ADEM are recommending any of these as preferred vendors

\* As additional vendors are added to this list we will provide updates as necessary.

\* If you are aware of a business that is not on this list and desires to be, please have them contact Steve Sparks at AEDC who will work with them to be included.
