

MAUMELLE YOUTH COUNCIL  
MISSION  
AND  
GOALS

The mission of the Maumelle Youth Council is to provide opportunity for youth to develop mature citizenship, leadership, a sense of personal achievement, and an understanding of government.

The Maumelle Youth Council is to serve the youth of the community by informing the elected officials of the needs and wishes of the youth by planning and implementing social, educational, cultural, community service and recreational activities for the youth.

Some of the Maumelle Youth Council goals are as follows:

- To receive leadership training at the community level
- To acquire a greater knowledge of and appreciation for the American political system
- To participate within the current governmental system and make a positive change in the community
- To serve the youth of the community by informing the elected officials of the needs and wishes of our peers
- To work with community officials and organizations to receive service and leadership opportunities
- To acquire teamwork skills, a greater appreciation for community rights, a sense of community pride, and help to eliminate potential negative influences within the community.
