As the news of the Coronavirus (COVID-19) continues to develop, Maumelle Center on the Lake is taking a proactive stance to reduce non essential services, effective immediately. Center classes, events, and activities have been suspended and café hours have been reduced to 11 am to 1 pm until further notice. At this time, the Center will remain open to the public and staff will be on premise. This is a fluid situation and conditions and circumstances may change at any time.

We want to make clear that there have been NO REPORTS of any staff, volunteers, participants, and/or visitors contracting the virus, testing positive and/or having had any exposure to the virus. We are following recommended guidelines by the U.S. Centers for Disease Control (CDC), Centers for Medicare and Medicaid Services (CME), as well as the Arkansas Department of Public Health. Our number one priority is to do everything we can to help protect the health and safety of older adults, their families, and our community by limiting their contact with others at the Center.

Center staff will continue to offer and assist the 50+ population and offer updates to this policy.
