## READ BEFORE SIGNING

The applicant agrees to perform excavations according to all relevant rules and regulations set forth in the Maumelle City Code, including, but not limited to, the provisions of Chapter 66 (Streets sidewalks, and other Public Places), Article I (In General), and II (Excavations and Cuts), Sections 66-1 through 66-38 and Chapter 94 (Zoning Regulations), Article V (Stormwater, Pollution Prevention and Erosion Control), Sections 94-791 through 94-840.

The applicant will restore the entire excavation area to city standards upon completion of construction. In the event that any public property or private property not owned by the applicant is destroyed or damaged, the applicant is wholly responsible for the restoration of the property to the same or better condition than it existed prior to the damage caused.

The applicant understands that upon completion of the work and/or restoration noted above, **they are required to call City of Maumelle Public Works at 851-2812 with request for FINAL INSPECTION. The applicant further understands that failure to request the inspections may result in citation(s) to appear in Maumelle District Court for any violations and/or may result in the forfeiture of the excavation bond.**

When signed and dated by an Authorized City Representative, this form becomes your "Permit".
